We would like to invite you to an unforgettable hunting experience located in the Pheasant Capital of the World," near Gregory, South Dakota.

This is where your hunting dreams become reality and weather it is one of your bucket list hunts or enjoying the resources that Nebraska has to offer I am certain that you will enjoy the time hunting with us. We have access to over 12,000 acres of private land in prime pheasant, turkey, and deer country in central South Dakota and northern Nebraska. We are also able to offer you a hunting experience on the South Dakota Rosebud Reservation and the Lower Brule Sioux Reservation. This versatility helps us always find game rich hunting areas for your stay.

- **FALL DEER HUNTS**

With deer hunting in two states and two reservations we have the benefit of using the positive part of each area to provide you a great hunt. For example with Nebraska hunting for deer the licenses are over the counter by passing any application/draw license requirements. South Dakota has a deer draw except for archers. If you don't want to apply and try your chances with South Dakota difficult Lottery process they you can pay the state an additional \$ 200 for the licenses they will move you to the head of the line and let you just buy a license outright. The reservation hunts include a colorful addition to the hunting opportunities season dates and even pricing structures.

5 Night Stay with 4 Day Hunt - Price per Hunter

Please book as soon as possible for availability; as we often book a year in advance and maintain a waiting list for deer hunts.

We hunt the heart of the Missouri River Breaks. Breath-taking views will provide a natural back drop to the wildlife. We see an average of 10 bucks per day - both white tail and mule deer roam these lands.

- BUFFALO HUNTS

Buffalo is the healthiest meat for any diet. With better nutritional value than beef, and less fat and completely void of any steroids or other man made injections because they are not required. Hunts are held in open areas but done with safety in mind. We have meat hunts for cows and young bulls or trophy hunts for big bulls with pricing defined by size or approximate weight of the buffalo. After shooting and the balance of the herd is safely pushed away and the harvested Buffalo is handled with equipment and hauled to the processor, cut to your specifications.

Season Dates Oct 1-Dec 23
