### **HUNT WHITETAIL DEER DURING THE RUT IN JANUARY???**

You heard it right in January! In Alabama the Rut is on!

Offering Deer Hunts, come experience the January rut when the northern whitetail have long since passed the rut and the temperatures hug the zero mark. We have 70 warm degree highs and 35-40 degree lows during the winter, enjoy it and enjoy hunting the rut.

We manage over 3,000 acres Prime Whitetail Habitat. Our goal is to hunt 3 1/2 year old bucks or older. We have a great mix of different hunting situations to satisfy your needs. Safety is always MOST important! We use safe quality stands. Young hunters and non-hunting guests are welcome. We work year round to give proper nutrition and to assure fair opportunity to mature animals. We do have minimum criteria on animals harvested to let them reach maturity.

A special package is available for those being the first 6 to make a reservation.

You will be on a guided hunt on 3000+ acres of prime whitetail habitat of timber and agricultural area with special food plots intermixed in the area in the famous blackbelt region of Wilcox County.

We have close to 100 box blinds, tree and ladder stands to select from. Meals and lodging are included. We have a large historic home that is roomy and comfortable and we can accommodate hunters of all ages. Everything will be provided except hunting license and gratuity for cook and guide.

You can hunt 5 days, take as many as 3 bucks and 2 does, along with unlimited hogs all for only \$ 1495
