Have you ever heard of the huge delta deer in Located in Fosters, Alabama, and southern Tuscaloosa County? We hunt 2,500 acres of prime delta bottom land for big bucks. We have been under a trophy quality management program since 1977! We are easily accessible from Atlanta Georgia, Tuscaloosa, Birmingham, Montgomery, Memphis Tennessee, Jackson Mississippi and New Orleans, Louisiana. These deer are son big because they are not native southern Alabama deer. During the depression meat hunting to feed your family wiped out the delta deer population. When good times returned Minnesota deer were transplanted down in the delta. That strain of whitetail deer is still the prevalent deer in the area.

These deer run about 100 pounds heavier than the original delta deer, with much larger racks to show for it. But here you don't have to hunt in the Minnesota cold.

We also have several hundred acres in the famed Northwest Mississippi Delta and are offering a very limited number of hunts (only 2-4 hunters per hunt). In Alabama we can host up to 6 hunters per hunt. Hunt with Rifle, Black Powder or Bow in either location.

## **Hunting Lodge and Accommodations**

Enjoy comfortable lodging and home cooked meals on our Alabama deer hunts. The Mississippi hunters have comfortable accommodations at a local hotel.

Because we have hunts available in two regions, we enjoy providing hunts during two ruts. In Mississippi, the rut hits late November through Christmas. In Alabama we hunt from mid-December to mid-January. We practice quality game management by attempting to take mature bucks with 17" spread or better. There are penalty fees for undersized bucks taken. Realistically, you can expect to see bucks in Alabama from 115 to 150 and in Mississippi from 150 up to 170!

Our hunters enjoy the convenience of strategically located ladder stands in the hardwoods and hunting out of shooting house and tri-pods over the highest protein fields of corn, soybean and wheat.

Alabama & Mississippi Hunts: For the past 3 years we have also been offering very limited hunts in North West Mississippi on several thousand acres in the famed Mississippi Delta. In both Mississippi and Alabama we offer Bow, Black Powder and Rifle Hunts. The Mississippi Delta Hunts are limited to 2-4 hunters per hunt and to 4-6 hunters on our Alabama hunts.

Lodging and Meals: Offered on all of our Alabama Hunts. At this time, in Mississippi, we offer only a guide and hunt. Lodging and meals are at the hunters' expense at motels located at Clarksdale, Mississippi.

Rut Hunts in 2 States: By hunting in two states we are able to offer our hunters the chance to hunt two different distinct ruts. The MS. Delta rut runs from late Nov. to approx. December 25th. The Alabama rut runs from approximately December 15th to approximately Jan 20th. After Jan. 20th you would be hunting the secondary rut. In both states we are trying to take 3 1/2 year old or older buck, with minimum outside spreads of 17 in. or better.

Quality Game Management: In Mississippi there is a 125 B&C Gross Minimum, because anything that scores less than that will likely be a 2 1/2 year old buck. There are penalty fees charged in both states for any under sized buck taken. Due to great genetics and low hunting pressure the

quality of bucks are a little bit better in the Mississippi Delta than the bucks you will find in Alabama. Most of our bucks taken in Alabama will Gross Score 115 B&C up to 150 B&C. Our bucks in the Mississippi Delta will gross score 125 B&C up to 170 B&C plus. There is a much better chance to kill 150-170 B&C plus bucks on our Mississippi Delta Hunts.

We have 4,000 acres to hunt on. You will hunt on corn, wheat and clover fields and oak flats in the hardwood timber stands. We offer very exclusive hunting to both the bow hunter as well as the rifle hunter. We do not hunt more than 6 hunters at one time, so you know when you come here you won't have to worry about hunting with large groups. Lodging and meals are available on all hunts. Meals consist of a Continental Breakfast on your own and hot...
