

Hunt the Northern Canadian Bull Moose Wilderness with an experienced guide that is second to no one at calling moose in to your location.

Hunt ID: CA-BC-Moose-All-Nelson-Phil

Extremely High Volume of Moose in the area. You will fly commercial airlines to Edmonton then on a smaller plane to Ft Nelson, it can be straight through or a overnight in Ft Nelson. There are two base camps to fly in to from Fort Nelson. Both lodges have landing strips. (in Unit 749) There are Quad roads throughout the area. This is the ultimate in Low impact hunting. If you ever wanted a wilderness moose hunt but wanted it to not be climbing to high altitudes through thick terrain this is the one for you. You will see that the best dates are during rut for calling which are 9/24- 10/14

Bush pilot fly in to 1 or 2 remote base camps with the luxuries of hot showers, generated electricity and good eating in the heart of prime moose country. From there it isn't walking it is by quad for minimal impact as needed on trails through the northern British Columbia bush country. With 100% opportunity to see a moose and a success rate of almost as high you will pull into a secluded area and shut of the engines. All hunts are 2 on 1 structured by guides with 10 to 40 years of experience. Then he will do his magic with a moose call and bring this 1,500 pound monster into your lap. With 1.3 million acres leased buy the outfitters you will never run out of space as you pass Spruce, hills, bogs, willows, streams. The best moose calling are during rut for calling which is 9/24- 10/14

10 day Moose hunts are priced at \$ 7500 and span between two dates, 9/24-10-4 or 10/4-14. As a bonus Black bears are sometimes seen on a gut pile and can be taken for \$2500 extra. The Typical sizes of the moose are 55” wide, but larger available racks are available Outfitter has a limited number of Moose Vouchers maximum

After the deposit is paid the outfitter will send you a information packet on the hunt and call you to answer any questions. The outfitter will handle gutting, skinning and caping your moose for the ride back. Meat can be taken but it is heavy and weight maximums in the airplane are observed. For the most part it is not feasible to take the meat home because of weight and airlines cost.
