Saskatchewan hunting for trophy Elk, Whitetail Deer, waterfowl and upland Duck, Goose, Black Bear, Chocolate Brown and Blonde Bear hunts in Upper Eastern Saskatchewan, Western Canada with local guides at Overflow Outfitters Lodge.

Our regular hunting territory covers 12,000 acres of privately owned farmland and approximately a half million acres of provincial land. We also maintain a hunting preserve which consists of approximately 700 acres of wooded land and alfalfa fields.

In addition to rifle hunts, we also offer archery and black powder hunting. We believe in quality hunts at a fair price - for serious hunters. Our hunts can be tailored to suit your individual or group needs. One of the best ways to find a good outfitter is to look at their pictures. These are just a few of our hunters from past seasons.

Our outfitting business is a family operation - myself and two sons. We employ knowledgeable, willing guides whose focus is on helping you get your trophy. They, like myself, are keenly interested in your success, not only in the quality of your trophy, but in the quality of your hunt. We recognize that a happy hunter will become a "repeat" customer and the fact that we are rewarded with a 70% repeat hunter rate attests to this. We offer a 3,000 sq. foot modern lodge, including a trophy room, fireplace, large dining area and two single beds per bedroom. The meals are home-cooked and delicious. If you

have a "special" diets then let us know ahead of time and we will do our utmost to accommodate your special tastes. The meals are served "family-style" which provides an opportunity to share the day's adventures and results!

Saskatchewan hunting regulations state that you must wear a complete outer suit of red, yellow, orange or white, or any combination of these colors. Hat must be any of these colors except white.
