

Hunt ID: CO-ElkMDeer-IRPLAYFA-OT-LEXA

Welcome to Colorado's famous South Park, a natural park surrounded by mountains making it a jewel for big elk and big deer. The area is vast enough that elk can deer can grow old and seldom see people.

The area is so famous for its large racks it is also very difficult to draw. Most hunters use the landowner Vouchers that the ranch provides to hunt this trophy holding ranch. The Colorado hunting units are **GMU050 and GMU500** with hunts and vouchers running between \$1395 to \$9495.

The **cow hunt is a low impact DIY cow hunt**. The outfitter will provide you with a map of the ranch with the property boundaries. It is your responsibility to not go on any land outside of those fence lines. He will point out on the map some places that he wants the cows thinned out. You have 3 days to find and shoot the cow elk of your choice. For the **\$ 1395** you will receive a \$ 400 Ranch only landowner voucher that guarantees you will be able to purchase a cow elk license, \$ 50 residence or \$ 450 non-resident. Your total cost would be the Landowner voucher and hunt with access for \$ 1395 along with a Colorado elk hunting license of \$50 or \$450 depending on if you are a Colorado resident or not. The seasons run September 1 to January 31.

The 1st bull season is great for catching a post rut 6x6 Royal Bull Elk for the trophy room. These bulls are usually in the 350 plus size range. The landowner provides meals and lodging along with a 1 on 1 expert guide for 5 days to make certain you look at a lot of bulls. The voucher provided for the hunt is good unit with which includes the ranch itself.

This voucher normally goes for \$5000 and the hunt is \$7000, for a total of \$ 12000. But for this one hunt this year he will reduce the voucher and hunt down to a total of \$9495.

The voucher is good for all of GMU050 a very difficult unit to draw or even find a voucher for. Hunt includes 1 on 1 guiding with deluxe meals and lodging.

For the 3rd season this outfitter offers a 5 day bull and a cow with vouchers for 3rd season when they average about 325 for the bull, it is a bull hunt with a free cow thrown in for meat. The vouchers and the hunts usually go for \$ 10,000 but in this case he will deduct this hunt \$ 2500 down to only \$7495.

As a rule they don't take an elk unless it is a 6x6 unless the hunter wants to do so. Hunt includes 1 on 1 guiding with deluxe meals and lodging.

For you trophy mule deer hunters take note. **GMU050, GMU500 and GMU500** are trophy areas. Now you can hunt trophy private land, during the rut which is 3rd season 10/31-11/8, just pick your 5 days.

These bucks come down from the high country every year looking for milder weather and of course receptive does. They drop their guard which makes it easier to intercept them when they are traveling sometimes all day.

They return to the locations where they have found does in the past and as you know many times a doe herd has their territory and the bucks know that also. Simply put he is checking address/territories that he knows holds does, once found it is a matter of checking each doe in the herd a number of time. No wonder he doesn't have time to be weary, it tires me out just thinking of it.

The bucks are hunted very lightly and only with vouchers to continue the top quality that they consistently provide. Most buck taken run between 180-200 points' gross score.

Hunt includes 1 on 1 guiding with deluxe meals and lodging.

This hunt is \$ 7500 for a 5 days hunt, but the outfitter has dropped it down to only \$ 4995 for each of the 4 hunts including the vouchers. Hunt includes 1 on 1 guiding with deluxe meals and lodging.
