Hunt prices dropped a solid 1 grand, \$ 1000 per hunt!

How about a 5 day Guided with meals and lodging archery deer or elk hunt for \$2995 reduced down to only \$ 1995!

Even a 5 day guided rifle with meals and lodging deer or elk hunt for \$ 3995 reduced down to only \$ 2995!

Got Deer, Yes big Mule deer! This can be a deer hunt or a trophy deer hunt depending on which area you are hunting in.

**This hunt is for a Scissor buck. A scissor buck is when two points separate but don't get as long as the others which can still have a score of 160 and be a 4x4 or a 5x5 buck, nice bucks but just not perfect.**

**Because of the high number of deer, he is providing the discounted hunts for as long as the scissor bucks last. It usually takes 1 point or a landowner voucher to draw in GMU086. Would you pay \$ 1000 less if a buck is not perfect?**

A 5 day trophy hunt is \$ 3995 reduced down to only \$ 2995, but if you can settle for a mature 4x4 or 5x5 with a Scissor or other unique character it is \$ 2995 reduced down to only \$ 1995

Antelope Guided with meals and lodging is \$2,500 reduced down to \$1495 for a 3 day hunt on GMU086. Space is limited, you snooze you lose; this is one to roll on! Vouchers if needed can be obtained in most times at Discounted Hunts dot net.

This Colorado outfitter starts with \$3495 Mountain Lion hunts with extremely high success without a trophy fee.

All our Colorado Deer, Elk and other big game hunts are 5 day hunts except for antelope (3 day) unless other arrangements are made. We hunt wild game only. All elk and other Colorado big game hunts are fair chase only (no fences here). We hunt in some of the best game units Southern Colorado has to offer. Our elk areas are in 4-point or better game units, increasing your chances of taking a mature bull elk.

The terrain you will be hunting varies from lower meadows to stands of aspen and dark timber to high mountain peaks. We understand physical limitations, and do all we can to put you in the best spot your physical limits allow. He is licensed to hunt GMU048, GMU056, GMU057, GMU58 and GMU551 for Lions but his primary unit is **GMU086** with a lot of private land to cover. For Rocky Mountain Sheep it is S09 that holds his honey hole with consistent sheep kills. The hunt is a hunt of a life time so he puts the effort in to assure you take a trophy of a lifetime. It is a 7 day hunt but also 1 hunt with 2 guides. This is completely legal but doubles the odds for a big ram since one guide is with the hunter and the other one is always looking for sheep. In this high altitude miles and miles of mountains and valley there is a lot of country to cover to get the best of the best and with 3 sets of eyes the odds are in your favor. Success is not an accident when you are looking for quality so he leaves nothing to chance. The 7 day hunt is \$ 6500. If you need a voucher contact Discounted Hunts LLC.
