It is the same price for hunting deer, elk and turkey all at the same time or just staying at the cabin as a non-hunter. Groups can be combined to end up with 6-7 hunters if you don't have 6 in your group. Non-Hunting Guests price is the same as a hunter since it takes the same amount of space for a non-hunting guest as a hunter.

The area with water and such on the property has a adequate turkey population for turkey hunting while deer and elk hunting or only during turkey season.
