### **Colorado Waterfowl Hunts**

Our duck and goose hunts are based around Lamar, Colorado. We have over 100 dozen decoys so we will always have the right spread for the weather. Generally, we'll hunt ducks till lunchtime, then head to our clubhouse for lunch. After lunch, we'll head out to the field for the afternoon hunt.

Spring Snow Goose hunts can be very exciting as we're allowed to unplug our shotguns, use electronic calls and hunt after sundown. The hunts are done over decoys and the birds can be from 15 to 45 yards out in small flocks to several hundred or even thousands at a time.

### **Kansas Turkey Hunts**

Our Turkey hunts take place in Zone1 in north western Kansas. Populations are high and it's common to see over 100 birds a day. The birds generally are called in to you within 30 yards over decoys.
