Welcome to Florida Boar and Gator hunting that will knock your boots off! In fact it might even knock your waders off. When you have run out of adrenaline then it is time for some fantastic Florida bass fishing while the family enjoys Disney World.

With 20 years of guiding under my belt I have found that the bulk of the time hunting is taken in the locating stage not the shooting stage. I am, here to cut back on that locating stage and get right into the shooting stage. Gators can be taken year round with any weapon. Typically I hunt with a rifle or bow from a swamp buggy on private property.

## **Florida Osceola Turkey Hunting**

A true Osceola is only found from Orlando, Florida to the south, giving a turkey hunter interested in a grand slam, with minimal places in the US to obtain this special turkey.

These special birds, Osceola turkeys, are true natives to our part of Florida.

This is by far the most sought after experience I offer. My hunts are conducted at your preference, whether it is from a swamp buggy, cruising around the marsh trying to kick one up with redbone hounds, from a tree stand at a feeder with a bow, or for a more adrenaline seeker, a bull dog and a knife or spear.

A boar hunt is sure going to give you plenty of stories to tell your buddies. There is no age limit and no license required. The hunts are available year round.
