

Hunt ID: IA-MN-WDeer-GVALLEYSRIN-WM-RIANB

Hunt the Iowa and Minnesota Boarder we have properties on both sides of the state line.

Let us be your whitetail deer hunting guide. We have very competitive rates and want you to have a whitetail deer hunt of a lifetime.

We are known for our large Lakota strain of whitetail and you will know what we mean when you meet one in the corn and soybean rich farm land and tree lots.

This is the same strain as the big Canadian whitetails that you will spend 1000's more for and spend another \$ 1000 in travel to get to Canada. These deer have adapted well to the local grains and putting on the size required to weather the winter. The antlers grow to match the body by the greens and the food and old age of the bucks produce monsters, and plenty of them. Pike County doesn't have anything on us we just keep it quiet where these monsters roam.

Deer hunting Archery Season \$ 795.00

5 day hunts September 17-Dec 31, if you shoot any Buck Trophy fee of an additional \$ 695.00 in this way if you don't see the monster you were after you only end up paying 1.2 price, we know you will but we want to show you the confidence we have in our big bucks.
