Deer Hunting with us in Kentucky for Big Bucks!! We provide quality free ranging bucks to the trophy hunter.

We offer some of the best deer hunting on over 8000 acres. Our terrain varies and there is something for everyone. Our properties consist of beautiful valleys, pastures, fields, hammocks, hills and some steeper terrain for the more adventurous hunter. There are hundreds of acres of planted fields and food plots, and we maintain numerous protein grain feeders throughout the entire year to help promote a good healthy weight on our deer, help with the nutrition for our does and growing fawn, and to ensure good and strong antler growth on our trophy whitetail bucks. Learn more about our deer hunting, check out some trail cam photos, and get the info you need to book a quality whitetail hunt in Kentucky with an outfitter dedicated to giving you the hunt of a lifetime.

Our property is located in Clinton County and has been strictly managed for over 5 years. We had a very good season and are really looking forward to 2011 KY deer season. If you want to hunt trophy bucks, this Outfitter is well worth a look.

[Turkey Hunts](#)

If you're looking for some high quality wild turkey hunting action, then this might be the place for you. Along with prime deer hunting habitat comes plenty of big and wild Eastern turkeys. We offer both Spring and Fall turkey hunts in Kentucky. You are more than welcome to add a Fall turkey hunt along with your whitetail trip for a very reasonable rate (\$195).

Tennessee Hunts

We also offer 2200 acres of prime whitetail and turkey hunting in Tennessee, just across the border from our Kentucky property. Our Tennessee properties receive the same amount of dedication as our Kentucky lands. We manage the game, ensure a healthy herd, and offer you the same level of service and hospitality

Meals & Lodging

All meals are included with your lodging and we assure you, you will not go hungry. Three meals will be provided daily and for those hunters who choose to stay on stand all day, we will be happy to pack a lunch to go with you. The kitchen stays open 24 hours and there will be plenty of snacks, drinks and whatever else you may care to help yourself to. We want you to feel like you are home and your comfort is very important to us.

We realize that today there are MANY choices when it comes to booking your hunt. We also realize how hard people work to earn what they have, and we feel honored that you are considering us among your choices. You have our promise, from our family, that we will do the best we can to make this a hunt you will enjoy and remember for a lifetime.

Archery Deer Hunting

Our bow hunts are semi guided. Transportation to and from the stand will be provided, and all of our trails and tree stands are clearly marked for easy locating. We have over 100 stand locations, including ladder stands, double-man, lock-ons, and blinds. Whatever kind of stand you prefer to hunt deer out of, we will be able to accommodate. With this amount of stands and with our hunts being limited to only 8 hunters at a time, you can be sure that you will get the personal attention you deserve. We want your Kentucky deer hunt to be remembered for a lifetime, so we will do our best to put you in a great location and in a stand you are comfortable with. With very low pressure over the last few years, our whitetails have had plenty of time to mature.

*** 120 inch minimum strictly enforced ***

Firearm Hunts

We also offers a limited number of modern gun and muzzleloader deer hunts. We offer more than 8000 acres in Kentucky and 2200 in Tennessee, so our property is large enough to ensure each gun hunter a safe and successful hunt.

Please note that when booking a hunt with us you're purchasing an "opportunity" to harvest a deer; this is not a guaranteed hunt as our property is completely "fair chase". We will do everything possible to put you in areas where good deer are known to be, but the hunt success also depends on the hunter and his abilities and the effort he contributes to the hunt.

There is absolutely NO smoking allowed at stand locations. We feel this will limit your success and also hurt the chances for success of the next hunter that may be placed in that stand. We scout all year for the best stand locations and we want our hard work to pay off in success for all who choose to hunt with us. Your cooperation is greatly appreciated.

The Bottom Line

We ensure a quality deer hunt experience by...

- o Keeping the hunting pressure low so that the big bucks stay on our properties,
- o Providing additional nutrition, throughout the year, to maintain a healthy deer population and maximum antler growth,
- o Offering whitetail hunts in KY & TN to give our hunters more choices (both out of the same camp),
- o And creating an atmosphere of friendship and hospitality, thanks to our guides and lodge staff.

We want the memories of your hunt to last a lifetime.
