

Hunt ID: MO-WDeerTurkey-Macon-MVO-Jim

Hunt this family owned and operated full service guided whitetail deer and turkey hunting operation. They take pride in offering some of the best trophy deer and turkey hunting in Northern Missouri. Their goal is for everyone that visits to leave with an EXPERIENCE OF A LIFETIME!!

Our farm consists of approximately 3,000 continuous acres of rolling timbered hills, agricultural bottom ground planted yearly with soybeans and corn, and brushy grass fields with wooded draws, just the perfect habit for drawing trophy deer and turkey throughout the year.

Hunting Opportunities:

All hunts are semi-guided, but guided hunts are available upon request. We have all types of stands to accommodate any type of hunter. Stands range from ladder stands, lock on stands, ground blinds, tripod shooting towers, and elevated “the Blynds”. However, hunters are encouraged to bring their own stands if desired. Stands are located on feed routes, funnels, bedding areas, and staging areas.

Trophy Fee and Deer Management:

On our farm, we take deer management seriously. Along with Missouri Conservation Department restrictions, we established the “Trophy Fee” to make our hunters take a second look at the quality of the deer they are taking. All bucks taken on our property must be 130” or larger. Upon arrival and before entering the field, all hunters are required to pay a trophy fee of \$500. The “Trophy Fee” will be refunded if a hunter does not fill their tag or if their kill is not larger than 130”. We do this so hunters will let immature bucks make it to maturity, and ensure quality animals for years to come.

Lodging and Meals:

Any hunt with Mussel Valley Outfitter, LLC includes lodging in our 2100 sqft lodge located on the property. Lodge is furnished with two restrooms with showers, fully stocked kitchen, and spacious loft to sleep up to twelve hunters, TV with cable, internet, and telephone also available. Meals are not included in all hunts, but can be included if requested.
