Details

Weapons - We offer Rifle, Muzzleloader, and Archery Elk Hunts. We require a minimum caliber rifle of .270.

Your Hunt of a lifetime could take place on either public or private land. All public land hunts are done through a draw system, which increases your odds compared to the preference point system. We have guaranteed landowner tags for those who are unsuccessful in drawing a tag for public land. We offer fully guided hunts and also guide only hunts. Public or private land, you will experience a quality hunt.

We go where ever the elk go on private or public land.

All Meals, lodging and transportation to and from the field will be taken care of for you.

You will not have to worry about field dressing, packing, or photos of your trophy. We go to great lengths to make sure that every one of our hunters has an enjoyable comfortable and successful hunt.

Some of our hunts require a drop camp or primitive camp. If this is the case, you will stay in a wall of tents with cots and every measure possible will be taken to make sure you are comfortable. In some areas we have lodges and camp trailers. You may also find yourself staying in a comfortable and cozy motel room with a shower. No need to worry about travel, meals, or accommodations once you arrive on the ranch.
