We fit all budgets with our span of hunting and pricing going from fully Guided with meals and lodging at \$ 2395 to DIY hunting for only \$495 per hunter per week!

Welcome We welcome whitetail hunters to Ohio and our 6200 acres of prime whitetail hunting property and the the effort of our 103 years of combined hunting experience. privately owned and leased land that we manage for Trophy Bucks. We have always been die hard hunters and it shows in our die hard outfitting.

We operate two different hunting camps. One is located in north central Ohio, the other camp is in southern Ohio. They are located in Holmes, Coshocton, Wayne, Ashland and Monroe counties.

We have been managing our hunting land for years. So the idea was formed years ago to start outfitting for Whitetail Deer here in the Great Trophy State of Ohio.

Hunt Prices: We only take 4 Deer hunters per week per guided camp. The DIY hunts are set up by property and it \$ 495 per hunter for the week. Some of the smaller properties may only have two hunters while the larger properties may have as many as 5 hunters, it depends on the bookings.

Our hunts range from \$ 495 DIY on private property no meals or lodging to \$ 2395 meals, lodging and guiding and there is no trophy fee. A \$500.00 non-refundable deposit is required at the time of booking. We accept personal checks, certified checks and credit cards for deposits.

Balance is due upon arrival and before you begin hunting. We only accept cash, certified check and credit card payments for the balance due. All Deer hunts are non refundable.

Hunting Services: We offer bow hunting only Whitetail Deer hunts. You can use a compound, recurve, long bow or even a crossbow.

All our hunts are five day hunts, Monday through Friday. Hunters should arrive on the Sunday, the day before their hunt starts. You will be greeted by one of our professional guides and taken to your lodging. Once settled in, you can sight your bow in, we have targets at the lodges.

Included in Hunt: All hunts include lodging and meals. Usually a light breakfast, normal lunch and a great hardy home cooked dinner. Also after you harvest your Buck, you may keep hunting and harvest one(1) Doe if you have purchased a Doe tag. Hunting License and Tag(s) are not included in the hunt price. We tend to book up early each year because we have about a 60% re-booking from the previous years.
