Some of the country's best whitetail deer archery ... Shotgun ... And muzzle load hunting awaits you in southeast Ohio's Licking County!!!! We would like to take this opportunity to thank this year's groups for hunting with us!!! We enjoyed great success this year!!! Twenty - two hunters left the woods with bucks this year!!!! More importantly we shared some great times and enjoy many new friendships.

Trophy buck hunting we understand your passion for deer hunting

When fall descends on the Ohio valley, it's time to think about deer hunting ... And the promise of dropping a trophy whitetail deer as the pink hues of morning dance off of last night's dusting of snow.

It's time to think of simpler times ... away from the hustle and bustle of your daily grind ... like enjoying the smell and taste of a hot hearty meal ... or a steaming hot cup of coffee after a long day of successful hunting ... sharing, by a warm fire the adventures of the day with family and friends who share your passion for the outdoors and deer hunting. If this sounds like your kind of place Licking County, Ohio may be just for you ! We'd like to invite you to join us for the 2013 - 2014 Season. We recognize that when it comes to hunting and hunting lodges that bigger is rarely better. We tightly control the number of hunters at our camps at any given time to insure that your opportunities to shoot that long sought after trophy are "real" and not some fabricated lore.

The land that we hunt has a sustainable population of whitetail deer and offers more than its share of opportunities to bag one of the many trophy bucks that thrive in the area.

We offer acres of varied habitat among the rolling hills of Ohio. Our property is peppered with productive farmland and hardwood bottom land. The scenic hills of our camp are an excellent backdrop for a family reunion focused on whitetail hunting. Imagine the thrill that one of your youngsters might enjoy if they were to drop one of these bucks like our sons, daughters and grandchildren have.

Hunting is an excellent way of engaging our youth in a healthy and active lifestyle. Drag a kid away from their electronic world and bring them along!

In 2003, Field and Stream (September 2003 Issue) cited Southeast Ohio as a very strong producer of bucks in the 130 to 150 class. This place is an ideal location for big bucks, and the lifetime Trophy you've always been hunting.

Be sure to book your hunt at least 6 months in advance, we have a number of returning guests each year as the best dates always fill up quickly.

The hunt

There is a two day shotgun season for young people each year that we support. One adult can join a young person and archery hunt during this time period for free! We love to have young folks join us ! They represent the future of our hunting rights and the preservation of our natural resources ... We welcome them! Youth must be 16 or younger and accompanied by an adult.

We have over 1400 acres of hunting land available to us. We have (9) cabins that are located on these properties. In addition we have three properties w/o cabins. You will be hunting the property adjacent to your cabin in most cases.

We have box stands and big game tree stands for each individual to hunt from. If you like, you can bring your own tree stand and set it up in a different location.

We offer the facilities for you to dress your kill and are here to help. If you would like us to take the job over ... We have team members who are skilled at dressing for a modest fee. Don't forget to bring your coolers to pack the meat in for the trip home.

If you want to go to a restaurant within a twenty minute drive of our land there is a town with a variety of dining choices. There is a grocery if you intend to prepare your own meals and want to pick everything up when you get here you certainly have that option.

Our policy is to space our guest so is to not have groups arrive back to back during archery season. This gives the property a chance to settle for a week before your group arrives. This helps insure a better hunting experience for all. Our goal is to have our guests return year after year ... With that in mind ... Your hunting experience is the most critical element of our operation.

Archery season starts on or before September 29, and ends February 2,. We specialize in archery hunting during the rut. However there are many opportunities in the early season to take a big whitetail!
