Our base of operations is nestled in the rolling hills of southeast Oklahoma. We are located just south of I-40 between Oklahoma City and Tulsa. The lodge consists of two wings. Both wings have a full kitchen and recreation areas. six large motel style rooms in which two will sleep seven people and the others up to four in each room. Each room has a full bath for your convenience. Our lodge is approximately 4000 sq. ft. of post hunting leisure space. We have 6 rooms, 4 of which will sleep 4 each and the other 2 rooms will bunk 8 each. This is also two large kitchen and living areas, one with an exotic theme and the other with whitetail and elk decor. The latter being the larger of the two areas. All rooms have a full bath and shower. Our lodge is broke up into two wings and reminiscent of a motel style arrangement. Providing comfort and leisure for our clients no matter what the season, motels can be arranged for an extra fee. Groups welcome, in season only.

If you are here on a Trophy Whitetail or Trophy Elk hunt ranch manager Keith and his wife Beth will be cooking up some awesome meals during your stay.
