Tennessee Whitetail Deer Hunts

The deer hunting in Tennessee does not get as much attention as other states. However, we are located on the TN-KY border and you have probably heard many stories about the quality of the deer up there.

The herd gets healthier by the year. (We actually offer KY trips, as well). By being so close to the border, we can offer the highest quality whitetail hunts in both states and out of the same lodge.

We offer modern gun, muzzleloader, and archery deer hunts and we are dedicated to becoming the preferred outfitter for Tennessee whitetail deer hunting. Have a look around and please don't hesitate to contact us with any questions.

### Tennessee Wild Turkey

Few things are more exciting than calling in a big tom. Our property is full of wild Eastern's and we would love to have you out for a Spring hunt. You can also hunt turkeys with us in the Fall, either alone or as an addition to your deer hunt.

Our guides are experienced callers and would be more than happy to help you bag a big bird. Or, test your own skills and make it a semi-guided hunt. Either way, we are certain we have all the land, guides, accommodations, and experience to help you enjoy a high-quality Tennessee turkey hunt.

### Meals & Lodging

We can't control the weather conditions when you are in the field, but we can make you comfortable after the hunt. Our lodge is clean, comfortable, and will serve as your home away from home when hunting with us. Our 4000 square foot lodge overlooks Dale Hollow Lake and has everything you will need to enjoy a little rest and relaxation after a great day in the field. All meals are included in the package price of your vacation with us. Three meals are provided daily and we can put together a field lunch if you would like to hunt all day. The kitchen is open 24/7 and is always stocked with plenty of snacks and drinks.
