Hunt ID: CA-NB-WDeer-MooseBBear-Canterbury-TRO-Larry

This outfitter not only has good Canadian hunts but good American prices. His hunts include Canadian Whitetail Deer, Moose, and Black Bear. If it is any of the creatures above that your heart desires, we have it all. We are a small independently owned business. We limit the number of hunters we accept in order to provide good quality personal service and satisfaction.

We are located by the famous Miramichi River. We are 2 hours and 15 minutes from Houlton, Maine in the USA. We have six bunk houses outside our main camp to accommodate up to 30 hunters. The main camp has a dining and lounging area, bathrooms and a kitchen.

We specialize in white tail deer, moose and black bear. *We also have salmon fishing packages available starting April 15th until October 15th.*

WHITETAIL DEER

New Brunswick is not famous for its large population of deer but if you are pursuing that one in a lifetime trophy you want quality not quantity. Every year we harvest our share of big trophy bucks between 230 and 260 pounds, and we tip the scale of over 300 pounds at times each year. These "hogs" can score well into the B&C and Pope & Young record Books. If you enjoy the wood and don't like being surrounded by people this is the hunt for you.

All meals are home cooked. There are 4 weeks of deer hunting. Season starts October 22nd and ends November 17th, 2012. Our hunts consist of 5 days, Monday to Friday. You will arrive at the lodge on Sunday and leave the following Saturday. Since the exchange rate is usually quite equal between the US in most cases you can interchange the amount for a ball park figure to work with.

COST OF THE HUNT \$1695.00 US Funds per person plus 13% sales tax (\$221)
Plus Non-Resident Deer license \$206.79 Cdn Funds \$500.00 Deposit, deposit is due at the time of booking.

MOOSE

If you are looking for a big moose than come right in for our Moose Haven hunts? We take some huge moose every year.

There is no greater thrill then having an experienced guide call in a 1000lb bull for the taking. New Brunswick has a healthy and growing moose population. The New Brunswick moose season consists of three days of hunting. The season dates for 2012 are September 27, 28 and 29. This takes place during the peak rutting season for the bulls. In order to qualify for a moose license you must enter your name in an automated draw by April 30th, 2012. The meals are home cooked and hot, to satisfy the hungry man's appetite after an exciting day in the woods.

You may want to come a couple days early for the moose hunt if you are an avid fisherman or for that matter a beginner that would like to try their luck at fishing the famous Atlantic Salmon in the renowned Miramichi River. A couple of days casting a fly on one of the most famous Salmon River's in the world would be a good way to start the week off preparing yourself for possibly the best hunt of your life. During the slow time of the day you will also get a chance to scout with your guide the beautiful woods that we have here in New Brunswick.
