

Hunt ID: CO-ElkMDeerGoatSheepBear-All-ISONGUNN-CGSG-JN

This is the best wilderness horseback hunting adventures ever, tucked tightly in the heart of the Colorado Rockies. These guided hunts and premium drop camps are in GMU051, prime big game country.

Elk hunting is our specialty, followed closely by Mule Deer, Big Horn Sheep and Mt. Goat. We are a full Service Guided Hunts outfitter but we also provide Wilderness pack in Drop Camps for those that can find their own elk or deer but just need to get back away from the blaze orange crowd. The lodging begins with Deluxe Heated Tent Camp, Experienced Guides & Staff, with Well Trained Horses and Mules.

**GUIDED HUNT:**

In the season our guided hunts will be conducted from a base camp located at the end of a rough jeep road in the Fossil Ridge Recreation Management Area. From this camp we can hunt on horseback into the road fewer parts of the Management Area as well as the Fossil Ridge Wilderness Area where the use of motorized travel and mechanized equipment is prohibited. Plus, we have the flexibility and option to use 4wd vehicles to access an even larger hunt area. The camp features heavy duty, spacious wall tents with wood burning stoves inside for heat. The sleeping tents include sturdy cots with foam pads and lanterns for lighting. All meals are prepared and served in a cook tent provided with seating, tables and counters. Riding horses are available to be used daily to access hunting areas. One guide per each two hunters is provided or you may upgrade to one on one guide service. The packing out of harvested game is included. This camp is situated at an elevation near 10,000 feet.
