

**Hunt ID:KS-WDeerTurkeyPheasants-Cuba-CO-Guided-JT**

**This outfitter has such a high customer satisfaction level that he seldom needs new bookings. Although there is room for turkey and pheasant hunts still in 2010. They are located by Cuba Kansas a popular area for big buck, large flocks of turkeys and miles and miles of premium pheasant habitat.**

**These guys have had a lot of hunting success over the years and taken some monster bucks, now they would like to share this opportunity with everyone.**

**They would offer some of the best whitetail hunting available in the Midwest and accept only a limited clientele.**

**It is their personal goal to see that all their hunters go home satisfied, and assure the hunter that they gave 100% of their efforts to make the hunt a true success.**

**If you're looking for a quality deer hunt in true Kansas style, this is the place. With access to prime deer habitat encompassing over 5000 acres within a 20 mile radius from the lodge big bucks have a chance to grow bigger. This allows our hunters to experience a truly solitary hunt with very little to no pressure from other hunters.**

**The land consists of creek bottoms with heavy wooded draws surrounded by corn, milo, soybean, sunflower and CRP fields. We have over 60 stands in place and ready to hunt when you arrive. It is very hard to find a straight tree in Kansas, therefore, a majority of**

the stands are ladder stands, but we also hunt out of hang on stands. We recommend all hunters wear their safety harnesses at all times while in the tree.

This is a semi-guided deer hunt. The guides will take you to and from your hunting area and stand locations in the mornings and evenings. Hunters are more than welcome to hunt all day or whatever hours they prefer. During your hunt, if you notice a specific area that looks promising, just let us know and we'll formulate a game plan together to either scout it or hang a stand.

This outfitter takes great pride in quality deer management. Our goal is to harvest mature deer. In order to ensure a quality hunt for you and others that follow we have implemented a 130" gross minimum score on any deer shot. A fine will be issued for any buck scoring under 130" gross.

### **Kansas Turkey Hunting**

**We have thousands of acres of private land that has an abundance of turkey. We primarily have Rio-Grande species with some Merriam/Rio Hybrid turkeys. Our properties are located in Unit #2, and allow hunters to take 2 birds each. In past years we have experienced great success rates with 90% of the hunters killing one mature bird and 80% killing two mature birds. We offer a semi-guided 3 day / 4 night hunt, lodging included.**

**Semi Guided Hunts: The outfitters will assist hunters in all ways, they will show the hunter the land, provide maps of their properties and show them where the birds are roosting and eating prior to the start of the hunt. A typical hunt consists of hunting the roost in the morning. Then mid morning thru the afternoon the turkeys are out feeding/breeding which require spot/stock hunting. Then in the evenings it is best to set up and wait for the turkeys to come back to roost.**

**Season: Our turkey season starts the first week of April, with a 10 day Archery season. After those 10 days our shotgun season starts which allows hunters to hunt with either shotgun or bow, with the season ending the last day of May.**

**Permits: All turkey permits are over-the-counter and can be purchased from the Kansas Department of Wildlife & Parks website, or purchased upon your arrival from a local vendor.**
