Whitetail Deer Hunts: We offer 5-day hunt packages for Bow, Rifle, or Muzzle-Loader. Our hunts take place on over 20,000+ acres in North Eastern Carroll County. Our properties are managed for optimum age class and antler size, with many food plots and feeding programs year round. We are located in the Corn Belt region of the Midwest with soils high in the minerals needed for large bone growth in our Whitetail herds. We have taken bucks with live weights exceeding 270 pounds, and antlers reaching 200+ inches. Our location, and management practices offer our hunters a real chance at hunting adult bucks. We monitor our Deer herds year round with trail cameras and update our hunters on what we are seeing.

Our Turkey populations are strong on all of our properties, with many adult gobblers. We hunt turkeys over our vast food plots and roost areas with lots of gobbling to be heard. Our spring turkey hunts are 3-day hunts with all accommodations; we do fully guided and un-guided
