DISCOUNTED 4 DAY Semi-Guided TROPHY DEER HUNTING IN NORTHEAST NEBRASKA WITH MULTIPLE DEER AVAILABLE IN A VERY HUGH QUALITY AREA

Hunt 15,000 acres in the middle of the Sandhills of Nebraska along the beautiful Niobrara River Valley. This is land big enough for big bucks to grow bigger. The Niobrara River has a reputation for releasing some of the biggest corn fed bucks in Nebraska. The key is the rugged country doesn't take well to the plow in many places leaving some "Jungle" areas for these big bucks to stay and wait out the hunting seasons. Where the plow worked well is corn and alfalfa for the deer to eat high protein feed while they are waiting to die of old age.

We offer: Whitetail Deer, Mule Deer, Goose, Duck, Grouse, Prairie Chicken, Merriam Turkey, Eastern Turkey, Pheasants and Varmint/Prairie Dogs. We hunt the Niobrara River Valley and some of the tributaries that lead to it. Many fresh water dams and creeks flow through the property, which provide an abundance of cover for the plentiful number of wildlife. As a hunting service we offer several types of hunts: Individual Hunts, Group

Hunts, and Private Hunts. Seasons available for hunts are: Archery, Black Powder, and Rifle. Included with all hunts are meals, entertainment, and room board.

This outfitter seldom shoots anything under 145 not because there is a restriction but because there are so many opportunities for big bucks that a 145 is an average in this country on this property. Even with these numbers he holds a 99.9% success rate. In addition he has Whitetail and Mules. They are hunted on different parts of the 20,000 acres of Crops, river bottoms, tree belts hilly a lot of everything and hunted differently. Whitetail blinds and stands mule deer spot and stalk. Hunt in the middle of the Sand hills of Nebraska along the beautiful Niobrara River Valley.

We offer: Whitetail Deer, Mule Deer, Goose, Duck, Grouse, Prairie Chicken, Merriam Turkey, Eastern Turkey, Pheasants and Varmint/Prairie Dogs with pricing detailed below.
