**Hold on to your New Mexico bows and rifles I have some deer and elk hunts that will get you getting new strings for your bows and a new scope for your rifle. This is a combination of New Mexico Tags and premium semi-guided to guide. Also how about 2 of 5 days semi-guided so you can learn the land then you is on your own. HAVE you got a knife? You are going to need it because DIY and Semi-guided you will have to clean it yourself. To keep the prices down as low as possible we have removed the meals and lodging from the hunt so the hunter is responsible for pitching a tent on the property or staying with Tom Bodet in Motel 6. The outfitter will give you phone numbers for both. In all cases below the hunter must buy his license from the state of New Mexico, in most cases the tag is included with the hunt along with the access. These are all Ranch only tags so you don't have to worry about finding a place to hunt, it comes with the tag. For the most part there is a ranch in Unit 34 and another in unit 21.**
