Hogs

For many outdoor enthusiasts, Wild Hog hunting is one of the most exciting hunting sports available. This year is going to be THE BEST Hog year ever! Come experience the thrill of a charging hog~ excitement for any hunter! We encourage you to make a weekend of it ~ great hunting, great food, with great friends!

Duck

Tired of overcrowded public lakes? Bored with the same pond week after week? Don't want to drive 3 - 4hrs for quality birds? Hate to have sky busters sit next to you 5 min before LST?

OR ARE YOU JUST FLAT-OUT TIRED OF NOT SEEING ANY BIRDS?

Then look no more because with us we not only provide the birds, we provide an "unforgettable outdoor experience." The lodge is located just Northwest of Decatur , TX in Clay County a short drive from the Dallas Fort Worth Metroplex and is equipped to sleep 28 hunters.

Last year we had access to over 40,000 acres of prime habitat for duck and goose hunting with over 35 different ponds and small lakes that held large concentrations of birds at varying times throughout the season.

When the weather changed (remember the ice & snow around Christmas?) or the birds moved, we just moved with 'em. The upcoming 2010-11 season is shaping up to be even better.

As of today we have over 65,000 acres of leased land and are now sitting right at 127 huntable bodies of water with more land and quality ponds being added daily to our already enviable selection of leased properties. Unlike many smaller 1 and 2 man operations that are restricted to hunting public waters or have limited properties at their disposal we welcome and can easily accommodate larger groups.

We actually encourage the mixing of groups. This accomplishes several things;

It extends the hunt (who wants to start at 4am and only hunt for 20 minutes?)

Provides opportunities to build new friendships

This enables us to have a steady supply of undisturbed ponds.

My guides can handle up to 40 hunters and each hunter will have their own layout blind providing what every duck hunter needs...mobility and concealment. The moment conditions change, we change. You are not restricted to one or two locations. We can adapt and overcome whenever conditions warrant it and my experienced guides will consistently put you on the magical "X."

Doves

That's right, CITY LIMIT HUNTING IN FRISCO, TX!!!!!!! We have 750 acres of shredded corn fields, water and gravel. This is by far the best city-limit Dove Hunting around. Opening morning, 80% of our hunters were done by 9am! And guess what? The next day, same thing! Whether you are looking for a week day or weekend hunt, you will enjoy the close proximity as well as a successful hunt!.

Quail Hunting

For many outdoor enthusiasts, Quail hunting is one of the most exciting hunting sports available. This year is going to be THE BEST Quail hatching year ever because of the excessive rain fall and the cover that has been produced! Come experience the thrill of flushing a covey of quail excitement for any hunter! We encourage you to make a weekend of it great hunting, great food, with great friends! Make your reservation today. You will not be disappointed.
